STUDENTS OF ANTHONY HIGH SCHOOL

The 1961-62 school term has come to a successful close. The flight of the astronaut, Colonel John Glenn, must establish more firmly in your minds the need of accepting more personal responsibility and preparing for the task ahead.

Although you have encountered unforeseen irregularities and disappointments, the school year has been successful for you. You have continued to mold your character, personality, integrity, and personal responsibility to the image that you desire.

This volume contains some of the records that you have made in this building process. If the records are not suitable, may you have the courage to change your plans and work towards future years of success and happiness.

To you, Miss Emma Jess, the staff of the *Jolly Roger* dedicates this 1962 book. We wish to express our gratitude for the many services you have so unselfishly given to us.

National Honor Society

The National Honor Society was designed to give recognition to those pupils who choose to do outstanding scholastic work. It is national in scope. The award (National Honor Society Pin) is the same regardless of which school grants the award. This award is open to all Seniors who have been in Anthony High School their entire Junior and Senior years. The first requisite of this award is that the student rank in the upper one-third of the graduating class scholastically. The three other factors are Service, Leadership, and Character. These are considered on the basis of observation during the entire four years of high school.

The vocal music department has made numerous achievements during the 1961-62 school term. Under the direction of Vincent Edmonds, the choir, one of the finest in a series of excellent choirs, presented four vocal concerts, either at home or on tour. The choir was highly commended by both music professors and students for their singing at both Derby High School and Wichita University as being "one of the best in the state." In this year's competitive appearances the mixed chorus received first division ratings at both the league and district contests. The girls' glee club duplicated this fine record at these two contests.

Five of the department's six ensembles earned the right to appear at state contest. They were, mixed ensemble, senior girls' ensemble, junior girls' ensemble and boys' ensemble. The boys' ensemble received a first division rating. Nancy Jo Stuchal, Sheril Mize and Pat Stucky were the soloists at state. Sheril and Pat were awarded I's.
